

Administrative Procedure 3555 Smoke Free Campus

Use of smoking and smokeless tobacco is prohibited in all district owned, occupied or leased buildings and prohibited within 20 feet of a main exit, entrance, or operable window of all district owned, occupied or leased buildings and in areas so designated.

Priority shall be given to a smoke-free learning, working and living environment.

Under no circumstances will smoking or **the** use of smokeless tobacco be permitted in classrooms, laboratories or libraries. All other indoor facilities, including employee work areas and offices, conference rooms, restrooms, cafeteria, residence hallways and lounge areas, shall be non-smoking areas and outside hazardous areas specifically identified as non-smoking areas.

Following a careful review of environmental conditions, the Risk Management Committee may designate and post selected outside locations as non-smoking areas.

Smoking permitted areas shall be subject to periodic review and possible change.

Signs shall be displayed indicating that smoking is prohibited in all indoor facilities and designated outside areas.
