Title 2, Sections 18730 et seq.

Board members shall not be financially interested in any contract made by the Board of Trustees or in any contract they make or participate in making in their capacity as Board members.

A Board member shall not engage in any employment or activity that is inconsistent with, incompatible with, in conflict with or inimical to his or her duties as an officer of the District. A Board member shall not simultaneously hold two public offices that are incompatible.

Upon leaving the Board, former members shall not, for a period of one year, act as an attorney, agent or otherwise represent for compensation others appearing before the board.

The Chancellor shall establish administrative procedures to provide for disclosure of assets of income of Board members who may be affected by their official actions, and prevent members from making or participating in the making of Board decisions which may foreseeably have a material effect on their financial interest.

Board members shall file statements of economic interest with the filing officer identified by the administrative procedures.

Compliance with conflict of interest rules requires forethought and careful attention. Board members are encouraged to seek counsel from the District's legal advisor in every case where any question arises.
